You are correct, the 2009 Certificate is in the name of All My Sons Moving & Storage of Greenville, Inc. d/b/a Quick N Easy Moving. I forgot about the d/b/a name and inadvertently omitted it from the application. In speaking with the client about this, however, they no longer want the d/b/a name. They would prefer to revert back to All My Sons Moving & Storage of Greenville, Inc. and drop the d/b/a altogether.

May they do that as part of the application to change their tariff? If so, do you need anything else from me in order to get that issue properly before the Commission? Thanks as always,

Mr. Hodges,

My records indicate that the correct name is All My Sons Moving & Storage of Greenville, Inc. d/b/a Quick N Easy Moving. That certificate was issued July 6, 2009. However, you filed the request as All My Sons Moving & Storage of Greenville, Inc. Please clarify the name for me before we get started with the filing. If they have dropped the dba then we need to notice that also.

Thanks,
